Hi Dave,

I'm forwarding Charis's question on the funding, hope last night went well - so sorry I couldn't be there.

She was also wondering when your presentation will be up, were you going to have Rose put it up today or should I tell Charis it'll be up later?

Thanks!

-Jeanethe

Hi Jeanethe,

Just remembered: I also wanted to follow up to see if it was possible to get a number for the money that's been spent on the clean-up to date?

Also, I wanted to be sure I was clear on how the clean-up has been funded:

- There was a settlement in the early 90s under which federal/state governments recovered \$99.6mm – was all of this applied to the harbor cleanup?
- Beyond the \$99.6mm, where has the funding for the rest of the cleanup to date come from? Is the money coming from federal appropriations?

Thanks!

Cheers,  
Charis

Hi Jeanethe,

Thanks again for arranging that conference call yesterday. It was very helpful.

I know Dave mentioned on the call yesterday that a copy of the ESD would be available at the library today, but I wanted to check to see if there was any way I could get an electronic copy in advance of tonight's meeting. (I checked on the website, but didn't spot it so wasn't sure if it had been uploaded yet.)

Thanks!

Cheers,  
Charis
